Yay, Spring is here! *Finally...sunshine!!*

As much as our dry-farmed vines need the winter rains, we are sooo excited for the 2011 growing season to begin.

It's a great time of year to visit the winery to take in the views of the emerald hills and wildflowers in bloom.

We have many events planned for this Spring and Summer. From our Summer Music Series to Dinner with the Winemaker, there is always something a little extra happening at Story.

If you are planning a visit to Gold Country, stop by. We are sure you will enjoy it and we would love to see you! Cheers, Jan & Bruce
